CAMPUS DIRECTIONS WITHIN ST. MARY MEDICAL CENTER

After turning into St. Mary Medical Center at the traffic light, make the first left. Then continue straight through the outdoor parking lots following signs toward the St. Clare Medical Building and the Parking Garage. After passing these outdoor lots on either side, the driveway will curve to the right and go up a slight incline. Follow this gentle incline and make the second right directly into the parking lot (at the sign for St. Clare Medical Building Floors 1-3). The St. Clare Medical Building is adjacent to this lot and has pedestrian access. As one enters the building, we are located on floor #1 immediately on the right, Suite 120.
